

MINIMUM ADMISSION REQUIREMENTS: MODEL SYSTEM POLICY

In order to be admitted to a public university in [State], students must meet requirements in three areas: high school courses, weighted cumulative high school GPA, and test scores. Minimum requirements for admission are established system/state-wide. Meeting these requirements does not guarantee admission to any specific university or program. Individual campuses may have additional requirements beyond the minimums listed here.¹

MINIMUM COURSE REQUIREMENTS

Four course units in English emphasizing grammar, composition, and literature;

Four course units of mathematics, in any of the following combinations

- algebra I and II, geometry, and one unit beyond algebra II;
- algebra I and II, and two units beyond algebra II; or
- integrated math I, II, and III, and one unit beyond integrated math III.

Three course units in science, including

- at least one unit in a life or biological science (for example, biology);
- at least one unit in physical science (for example, physical science, chemistry, physics); and
- at least one laboratory course.

Two course units in social studies, including one unit in U.S. history.

MINIMUM GPA AND STANDARDIZED TESTING REQUIREMENTS FOR HIGH SCHOOL GRADUATES AND GED

	High School GPA	Test Scores	High School Courses
First time, full-time students ²	3.0 cumulative weighted GPA	SAT of 1010 (verbal and math) or ACT composite of 21	See Minimum Course Requirements (above)

¹ This model policy is based on a former policy created by the University of North Carolina System.

² These minimum course requirements are not intended for transfer or non-traditional students
